International Student Workshop

To mark the occasion of the XXIII UIA World Congress of Architects, to be held in Italy from 29th June to 1st July 2008, the post graduate **Universal Design** Programme of the department DISET at the Polytechnical University of Turin, in collaboration with the UIA **Architecture for All** Work Programme, is hosting an International Student Workshop.

Theme: **Inclusive Design in Architecture, Landscape and Urban Design**

Date: 29th November – 1st December 2007

Venue: DISET, Politecnico di Torino, Italy & Lingotto Congress Centre

The Workshop will use the UIA Congress venue at the Lingotto Centre in Turin, as a site for the analysis of the Principles of Universal, Inclusive & Multi-sensorial design and for the application of design solutions. Resulting student projects will be displayed in situ during the 2008 World Congress.

Expert tutors will include:

- Fabrizio Vescovo (Director Post Graduate Course – Rome)
- Fabrizio Astrua (Director Post Graduate Course – Turin)
- Adrien Fainsilbert (Architect – Paris)
- Louis-Pierre Grosbois (Ecole d'Architecture de Paris la Villette)
- Aldo Bottoli (PoliDesign – Milan)
- Eugenia Monzeglio (Politecnico di Torino)
- Joe Manser / Matthias Hürlimann (Centre Suisse pour la Construction Adaptée aux handicapés)
- Fionnuala Rogerson (Ireland, Director UIA Architecture for All Work Programme Region 1).
- Erik Bahn (Denmark, UIA AfA WP Region 1)

There will be active participation in the workshop by older people & people with disabilities.

The workshop will be open to post graduate and under graduate architecture students who must have some previous academic training in Inclusive & Multisensorial Design Principles.

Places are limited to 60 students.

Workshop Languages : Italian, English & French
Some translation will be provided by staff members..

Accommodation : Student accommodation will be provided free of charge in the Politecnico di Torino

Travel Costs : Students must be either self funded, funded by the students' university, or by sponsorship.

An "Architecture for All" Award will be presented during the Congress to the best student project developed from the workshop.
